

Executive Council

**Fifteenth Meeting—Lisbon, Portugal
October 1-2, 2008**

Agenda Item: 5. Performance Measurement System

Background/Issue(s):

1. At ExCo 14, ExCo “endorsed the CGIAR Secretariat’s suggestion to organize a workshop and invite representatives from the SC, CGIAR Membership, Alliance, and M&E experts. ExCo recognized that there is still a call for output indicators. The workshop should explore ways to improve the PM System, including identifying those indicators that are most useful to the CGIAR System and can act as an early warning system.”
2. The workshop was held on July 17-18, 2008, organized jointly by the CGIAR Secretariat and SC.
3. The workshop resulted in a proposal to simplify the PM System and reduce the number of indicators. Maria Iskandarani (CGIAR Secretariat) and Ruben Echeverria (SC Secretariat) will present the proposal to ExCo.
