

CGIAR Annual General Meeting 2003

Business Meeting
Nairobi, Kenya, October 30-31, 2003

Agenda Item: 5. World Bank OED Meta-Evaluation of the CGIAR

Background: The World Bank's Operations Evaluation Department (OED) completed its meta-evaluation of the CGIAR as part of a broader Bank review of global programs. The CGIAR discussed the initial recommendations of the meta-evaluation at AGM02. The Bank's Committee on Development Effectiveness (CODE) discussed the completed report and the management's response to it on April 23, 2003. ExCo discussed the outcome at its fourth meeting in May, and decided that the CGIAR should be given an opportunity to debate the OED report at AGM03 along the lines of the major recommendations. Ian Johnson will introduce the item and provide an overview of the actions taken to date.
